

FINANCIAL POLICY

Please carefully read the following explanation of our Financial Policy

Payment in full is expected at each visit. Cash, personal checks, VISA, MasterCard, American Express and Discover cards are all acceptable forms of payment.

As a courtesy to our patients with dental insurance, we will submit claims to your carrier provided you have a ***valid insurance identification card***. We attempt to determine your estimated balance (if any) in advance, and ask that your portion be paid ***when treatment is performed***.

If your dental insurance will send payment ***only*** to you, we ask that you pay ***in full*** for your treatment at the time of service. We will then submit a claim to your insurance company, who will send their payment to you.

To help you be prepared for payment at the time of service, we can submit a request to pre-estimate your insurance payment and your balance. However, these are only estimates and may be subject to change when the claim is processed.

Any account not paid in full within 15 days, however, will be subject to a \$10 rebilling fee as well as any necessary collection or attorney fees.

We can offer you an excellent interest -free payment plan, CareCredit, for covering your dental bills! Ask at the Front Desk!

Because the time we set aside to care for our patients is valuable, we charge a \$50.00 Late Cancellation/Missed Appointment fee for appointments cancelled less than 24 hours in advance. This fee will appear on your next statement.

A note about children: Children are welcome at Beachcrest Dental! When there is shared custody of the child, however, we must insist on the following:

Regardless of which parent holds dental insurance (if any) for the child, the person who schedules the appointments and who brings the child to the appointment is responsible for all payments not covered by insurance.
